

Keep on running

Keep on running, keep on hiding
 One fine day I'm gonna be the one
 To make you understand
 Oh, yeah, I'm gonna be your man

2. Keep on running, running from my arms
 One fine day I'm gonna be the one
 To make you understand
 Oh yeah, I'm gonna be your man

[Chorus]

Hey, hey, hey
 Everyone is talking about me
 It makes me feel so bad
 Hey, hey, hey
 Everyone is laughing at me
 It makes me feel so sad
 So keep on running
 Hey, hey, alright
